Wine Tasting Pack

Everything you need to run your own wine tasting event

The Field & Vine team are experts at putting together a Wine Tasting Pack for any occasion. We supply the wines, full tasting notes and everything else needed to run your own event.

A wine tasting is a fun and entertaining event for any business, fundraising function or dinner party with a difference for friends and family. They can cost from as little as £5.00/head depending upon the number and quality of the wines. There are many different ways to structure the tasting and we would be delighted to discuss this with you and tailor it to suit your own special requirements.

Last year, the team organised a 'Call My Bluff' wine tasting for more than 100 delegates at the National Association of Careers Guidance Teachers conference in London and also put together a smaller event for St Mary's Primary School in Chiddingfold as part of a fundraising dinner.

To discuss this in more detail, please contact us on 01483 861287 or email info@fieldandvine.co.uk.
